GM message

Mr. Abdulkader A. Tammaa
General Manager

Every human must be guided, shaped, and supported by basic underlying values. These values should be the foundation for every decision and action we take.

At DFS family, we believe that everyone should have the freedom and ability to make independent decisions about how to treat customers, their fellow workers, vendors, and our community.

The company's core business focuses on design, supply, installation, testing, commissioning, and sales services. Our highly trained and experienced engineers and technicians for fire fighting and fire alarm products range from basic fire extinguishers to highly sophisticated fire systems.

DFS can provide total fire protection solutions to the most prestigious developments around the world including commercial, and residential buildings, commercial complexes, telecommunication centers, industrial installations, oil refineries, petrochemical plants, airport installations, etc.
